## “Beautiful, Better, Bolder”

....Comments from the Arts Council President

Greetings from the Loveland Arts Council as we start another great year! During 2004 we brought major activities and events to Loveland for your enjoyment and to enhance the quality of life in our area. Among these were Opera for Children, Paint the Town (always a colorful splash!), the extraordinarily successful and well-attended Loveland Art Show, and a fully staged production of the Gilbert & Sullivan opera, *The Mikado*. Who says the suburbs are sleepy and dull? We also awarded another annual scholarship to an area art student. We are committed to similar programs for 2005. Let's make our theme for this year a quest for a *Beautiful, Better, and Bolder* time for all artists, patrons and art lovers in our community!

On a personal note... being laid up all autumn with a broken kneecap, has given me a new appreciation for mobility and for those among us who live and thrive with daily physical challenges. Thanks to the board for extra help while I was wheelchair-bound and for tolerating my disorganization during that time. It is good to be more or less back to normal.

Finally, a reminder that the Arts Council is run by a dedicated group of volunteers. We are always on the lookout for people to join us with our many projects. Bring us your talents, energies, and perspectives. There is much to do and many skills are needed – clerical, financial, organizational, publicity, writing, artistic, design, and computer savvy to name a few. But most of all, what we need is ENTHUSIASM and a belief in our cause of bringing the arts TO our community. I guarantee tremendous satisfaction as projects take shape and new friendships develop. Plus, it is fun, too! Join us and see!

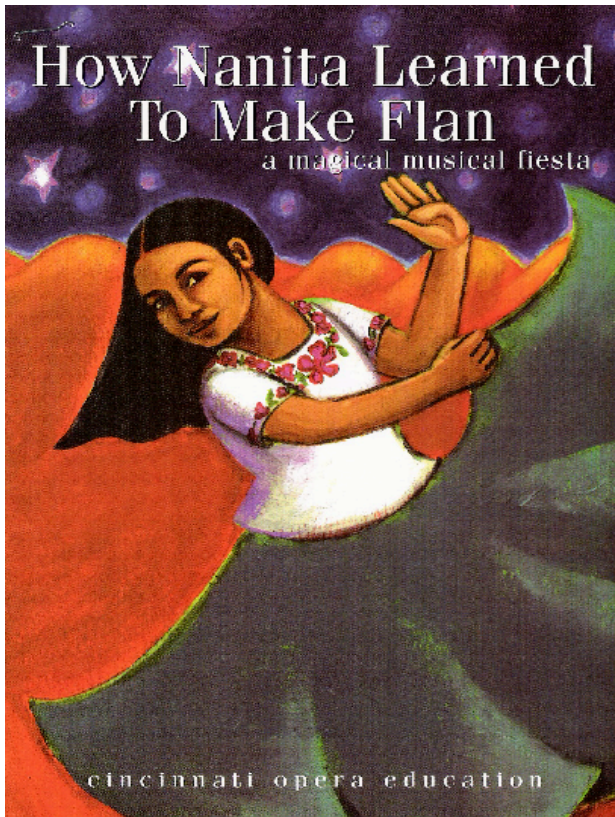

.....Deirdre Dyson

**SORG OPERA: The Mikado...Redux**

After years of planning, and with great commitment, energy, and no shortage of support from art patron members of the business community (see list below), we were able to bring a fully staged, professional all-out performance of Gilbert & Sullivan's classic operetta **The Mikado** to Loveland this past October 18<sup>th</sup>. With a national cast, elaborate costuming and scenery, and a full orchestra, it was a spectacular treat for the 450+ enthusiastic music lovers who attended. And as part of our educational program and commitment, we were thrilled when SORG Director Curtis Tucker, a week before the performance, brought five singers to speak with and sing before Mrs. Henderson's choir classes at Loveland High School.

We are planning to bring another professional production to the community in 2005, so stay tuned for details...and Special Thanks to these sponsors of **The Mikado**:

**WINTER ART SHOW (at "The Works Restaurant") A Great Success...**

The Winter Art Show, which ran from Nov. 28 through Jan 2, and overlapped the well-attended "Christmas in Loveland" community event on December 18, was an astounding success. Over 40 artists participated, displaying over 100 works covering a wide range in price, theme, medium and size. 12 works sold during the exhibit, reminding us all that there is a market for art in our community and region. Special thanks to Karen Beasley and her committee (Carole Lannom, Ginny Reynolds, and Beth Murphy) for putting this all together. Thanks also to owner Scott Gordon, a strong supporter of the arts in our community, for allowing us to once again use The Works Restaurant for the display space and reception.

**...Loveland through Artists Eyes**

June 1 – 4 will see scores of artists from the entire SW Ohio area in and around Loveland as they paint whatever scenes or nooks and crannies may inspire them. The paintings are started AND finished during this time and then displayed at THE WORKS Restaurant starting with an reception open to the public on Sunday June 5<sup>th</sup> 2-4pm and continuing until July 8. This is an exciting event for artists and allows the public to watch artists at work... The "Call to Artists" will be mailed out in late March. To receive one, call 513-683-0349. In conjunction with this event, we are expecting several out of town painters and are looking for volunteers to offer them lodgings for a few nights. Please call 513-683-0349 if you can help with this.

The **LOVELAND ARTS COUNCIL** is an all-volunteer organization dedicated to the promotion and organization of a wide variety of creative and performing arts events for participation, enrichment, and enjoyment of the residents in the Greater Loveland Area, thereby enhancing the quality of life and the perception of our city to others.

Art enhances the quality of life and the image of our city and brings wide, positive recognition, encourages people to spend time, money and even relocate to this fine area... and many thanks for those of you who have supported our activities in 2004, such as the hugely successful Loveland Art Show, one night Sorg Opera performance, the week-long Paint the Town, the Cincinnati Summer Opera Outreach Opera for Children, a Winter Art Exhibit and scholarship awards for local art students. Through these activities we have provided venues for local artists to exhibit and receive recognition, and brought wonderful educational opportunities for young and old to enjoy live performance and art at little or no cost...all in their own hometown.
